

# Brilliance Innovation Achievement

A global community of learners prepared to excel in  
an ever-changing world

## Join us today and become one of our Founders !

We are delighted to welcome you to our new school. As a registered learning provider in the UK, we began our venture under the name My Study Corner LTD less than two years ago. Our journey has been remarkable, collaborating with children, teachers, parents, and partners worldwide to support Romanian children both locally and in the Diaspora to excel in their educational pursuits. We have engaged with educators and institutions in Ghana, the UK, Romania, and Singapore, and have established a branch in Romania to better serve our Romanian community. We conduct our lessons in English Language on a secure platform named Classin, adhering to the strict rules and regulations of the UK, which has earned us the status of an accredited tutoring business from [qualifiedtutor.org](http://qualifiedtutor.org).

This year, we have taken the initiative to open a school that provides an alternative educational approach through a stable and accessible curriculum, thus offering more children the opportunity to obtain their High School Diploma in California USA if they so choose. To this end, we have sourced our curriculum from the **Pacific International Academy** in California and plan to deliver it via their platform, **etap.org**.

Our school has been granted the privilege and responsibility to guide 30 students towards achieving their utmost potential under the guidance of Mrs Adina Tulbure, a qualified teacher with more than 30 years' experience both in the UK and Romania. We are happy to offer you the opportunity to study

alongside her and be part of our journey as **a founder member** of our school. We are pleased to enroll you for **a reduced fee of only £300 per year**.

As a student of **Britannia International Academy**, you will receive the following documents to verify your enrollment and successful completion of the **etap.org** curriculum:

- A formal letter confirming the student's enrollment at **Britannia International Academy**.
- Details including student name, grade level, enrollment date, and academic year.
- An official ID card featuring the student's photo, name, enrollment number, and the school's name and logo, valid for the current academic year.
- Username and password for accessing the **etap.org** platform.
- Instructions on how to log in and navigate the platform, curriculum adaptation, testing, tutoring offered by Mrs Tulbure.
- A detailed calendar outlining the academic year, including start and end dates, holidays, exam periods, and important deadlines.
- A comprehensive guide detailing the courses and subjects offered for the academic year.
- A handbook providing essential information on school policies, code of conduct, academic expectations, and support services.
- Regular reports throughout the academic year tracking the student's progress, performance, and areas for improvement, issued at the end of each term.
- Credentials and instructions for parents/guardians to monitor their child's progress and communicate with teachers via the **etap.org** platform.
- An official certificate confirming the student's current enrollment status.

- A detailed report card summarizing the student's performance and grades for the entire academic year.
- A certificate recognizing the successful completion of the etap.org curriculum requirements which includes the student's name, date of completion, and the specific courses completed.
- **Upon successful completion of the etap.org curriculum, students will be awarded a High School Diploma accredited by the California Educational State Department, issued by our partner school, Pacific International Academy, which is the accredited curriculum owner.**
- **The diploma will state the student's name, date of graduation, and confirmation of accreditation.**
- **A comprehensive academic transcript detailing the student's entire academic record, including all courses taken, grades earned, and credits achieved to be used to enroll further to tertiary education.**
